

Blood of my blood.

You kept all your promises to me.

You killed my enemies in their iron suits.

You tore down their stone houses.

You gave me the \_\_\_\_\_.

All of you were torn from your mothers' arms and raised as slaves.

Now you are liberators!

You have freed the people of \_\_\_\_\_ from the grip of a tyrant!

But the war is not over.

We will not lay down our spears until we have liberated all the people of the world!

From \_\_\_\_\_ to \_\_\_\_\_  
from \_\_\_\_\_ to \_\_\_\_\_  
from the \_\_\_\_\_ to the \_\_\_\_\_ .

Women, men and children have suffered too long beneath the wheel.

Will you break the wheel with me?
